## Welcome to Learning Academy

With over 10 years' experience and student numbers more than [600](#) located in the Kouga area **Learning Academy** is the [only accredited](#) Business and Computing FE College between Knysna and Port Elizabeth. We pride ourselves on our excellent student services and tutorial support which gives our students the best possible chance of achieving their full potential and enhancing their career and education. "[Better Life Better Future](#)"

Incorporated by Christian Steynberg in 2004 and known as "The Albert Einstein College" it offered Courses Ranging from Certificates at NQF level 3 through to Bachelor Business Degrees (BBA). Until 2008 it traded successfully meeting the needs of the local community. Due to recessionary forces the College relocated to smaller premises in Da Gama Road rebranded as Varsity@Bay College and refocused on FE programs at NQF Level 3. In 2010 due to increases in student demand the college moved to its present premises still in Da Gama Road but now opposite KFC.

To refocus our expanding Market the College was renamed Learning Academy in 2014 with 3 Academies as follows

[Business and Computing Academy](#) headed by Elbeth Olivier,

[High School Academy](#) licensed as an ImpakTutor by Impak the number one Home Schooling Specialists, headed by Amanda Frampton

[Edustudy Academy](#) an Internationally Accredited Distance learning college with 16 centres through-out the world, headed by the manager Bill Frampton.

In 2016 Learning Academy, will have **two campuses** located in Da Gama Road.

1. Namely the **Learning Academy Campus** offering a range of accredited courses both tutored and on line supported in High School Grade 9-12, 3 month and 6 month Certificates at NQF level 3 and Franchised through Edustudy 12 – 18 month Business Diplomas (DipBus).
2. Jeffrey's Bay University Campus offering a Bridge DipBus program leading to BBA, MBA and PHD

## **EduStudy Franchised Accredited Centre – South African and International Accreditation**

### **QUALITY MONITORING BOARD**

EduStudy operates a Quality Monitoring Board (QMB) to ensure that accredited qualifications and study support delivered online always meet the learning needs of the student and complies to the qualification quality and accreditation requirements of the specific university partner or international qualification framework. To this extend EduStudy is assessed on a regular basis in order to maintain its international accreditation and registration status. Assessment inter alia includes, but is not limited to, the following aspects:

- quality issues for university partners
- monitoring of assessment standards
- monitoring of material content against learning outcomes
- specific operational issues as they affect quality and customer service

The EduStudy Quality Monitoring Board (QMB) serves as the link between international university partners and qualification authorities and plays a key role in improving the level of effectiveness and efficiency with regard to academic service rendering to students on a global scale.

### **EDUSTUDY ACADEMIC QUALIFICATION FRAMEWORK (AQF)**

The Academic Qualification Framework or AQF has been developed to ensure that academic quality requirements, alignment standards and accreditation guidelines of qualifications marketed by EduStudy aligns with that of SETA/SAQA, OFQUAL (UK), the CHEA (US) the EQA (EU) and other international university and Awarding Institutions that partner with EduStudy. For more information on the **UK-OFQUAL Qualification Framework** follow the following link: [www.accreditedqualifications.org.uk](http://www.accreditedqualifications.org.uk).

**EduStudy Education Group (PTY) Ltd** is a registered provider of education and training services and was formed to accommodate the expanding training, education and related consultation services network that has been operating as different entities since 1994. **EduStudy also serves as the organisational umbrella for the EduStudy Training Centre Network** which was launched in 2009. EduStudy is bound by the **Professional Quality Management System (PQMS)** as well as by the educational and programme accreditation requirements of the national and international quality assurance bodies that it subscribes to for assessment, moderation and verification purposes. EduStudy, through its accreditation, association and registration as service provider with local and/or international professional institutions, colleges and universities provides a professional and comprehensive service related to the development, presentation and evaluation of education and training services and products relevant to the business sector on a micro- and macro level. EduStudy utilises a number of **Online Study Platforms (EOSP)** relevant to the specific qualification (Certificate, Diploma, Degree or Post-Degree). **Guided Home Study**, combined with various **Blended Learning Models**, form the basis of the **E-Learning or Distance Education Programmes** and is internationally recognised as a leading and innovative approach to business and managerial studies. EduStudy has proven itself to be a quality brand that is consistently being evaluated by its clients, its partners and accreditation organisations in terms of quality and study outcomes. Qualifications available to students have been benchmarked against and aligned with public sector and academic institutions accredited at the highest international level. Course programmes at the level of Certificate is certified by the Centre for Community Assistance and Training (CENCAT) which consist of a team of academics and professionals sourced nationally and internationally and is made available in a **Short Business Skills Programme Format** (no accreditation or certification at programme or institutional level is required in South Africa for short courses not exceeding 6 months) which aligns with and qualifies for accreditation purposes for further study at an international diploma, degree or post-degree programmes. The EduStudy academic pathway will fast-track the student towards an international accredited **Bachelor, Masters or Doctorate** Qualification.

## COURSE DESCRIPTION

The **Bachelor of Business Administration (BBA)** is a focused distance learning business-degree program that develops a thorough understanding of business in its manifold aspects and aims at developing a student's intellectual ability, executive personality and managerial skills through an appropriate blending of business and general education. The degree is ideal for candidates with practical experience who do not possess the appropriate academic qualifications, aiming to obtain them by expanding and formalizing knowledge in the various fields of business. The program is a combination of academic content adapted for the experienced working professional, coupled with extensive academic and industry related exposure. This in-depth education will allow the students to perform successfully in the global competitive environment. Graduates of this program may advance to the EduStudy's accredited online MBA program.

## EDUSTUDY OPEN-LEARNING GRADUATE PROGRAMME

The **EduStudy Open-Learning Graduate Programme** forms part of the open-learning network of international qualification delivery institutions (universities, business schools etc.), awarding bodies and government-certified professional organisations that monitors professional and quality standards in tertiary education.

## COURSE ALIGNMENT AND ACCREDITATION

The **Bachelor in Business Administration (BBA)** is comprised of study modules, prescribed exercises, assignments and diverse assessment options regulated by and aligned against prescribed learning outcomes and forms part of the [EduStudy Open-Learning Graduate Programme](#) that enables the student to progress from a [Diploma in Business Skills \(DipBus\)](#) to an internationally accredited [BBA](#), and [MBA in Business Management](#) followed by a [PhD in Business Management](#) (See the [EduStudy Qualification Framework](#)).

## DUAL QUALIFICATION PROGRAMME

The **BBA Degree** rewards the student as he/she academically progress through the academic pathway. This enables the student to obtain a [QF-Level 5](#) accredited Graduate **Diploma in Business Management** before completing the online **Top-Up Phase** (6 - 12 Months) of the BBA Degree at an internationally accredited [University/Business School](#) of choice.

## COURSE DURATION & AWARDING OF QUALIFICATIONS

The duration of the course is 18-24 months and is made available via an Open-Learning **Online Study Platform** that links EduStudy and participating university and award institutions internationally. The registration, tuition and assessment process is online-delivered either via the Internet or Android/I-phone or Windows smart-phone applications. The BBA is completed in academic phases that interweave and provides the student with a truly international study experience that combines different international university-level platforms at different times of the study process.

## COURSE ASSESSMENT

Continuous Assessment is done via the **EduStudy Online Study Platform (EOSP)** integrated with the **Learner Management System (LMS)** of the partnering award or university institution and is based on multiple question variations that tests the student's knowledge and understanding of the module content and associated learning outcomes at different levels. Knowledge of specific module details and of the additional references given in the modules will be required to answer assessment questions and careful revision of the subject content is required prior to taking an assessment. Subject matter pertaining to specific learning outcomes will be tested by means of randomly generated questions in line with the defined learning outcomes of the modules.
