Hugo's Speed Shop was established in 2008 as an independent, privately owned organization and has successfully serviced companies related to minor repair and painting to vehicles.

The business is situated at 233 Greyling Street .The locality is a well

established central commercial area which is also within 2km of the N3 Freeway. The premises itself is about 1000 square metres. There is ample and sufficient parking facilities available.

Hugo's Speed Shop is a Automotive Body Repairer who

specialises in cosmetic (non structural repairs) as well a hail dent repairs (paintless dent removal). We promise a fast turnaround time when repairing vehicles.

During the company's existence we have developed a respected reputation as a leading motor centre displaying high quality standards,

which has resulted in the support we enjoy from our broad base of customers. Through dedication and perseverance our company has grown steadily from meager beginnings into a technically advanced, diverse company.

- **Spray Painting Equipment**

We have a Aer-O-Cure mixing room and a PPG work bench with all the necessary pearl, base coat and 2k toners, and an electronic database of paint formulas linked to an electronic scale allows for perfect colour matching.

1x spray booth and baking oven. Superb finishes are obtained by using Devilbiss spray guns and regulators, and pneumatic polishes.

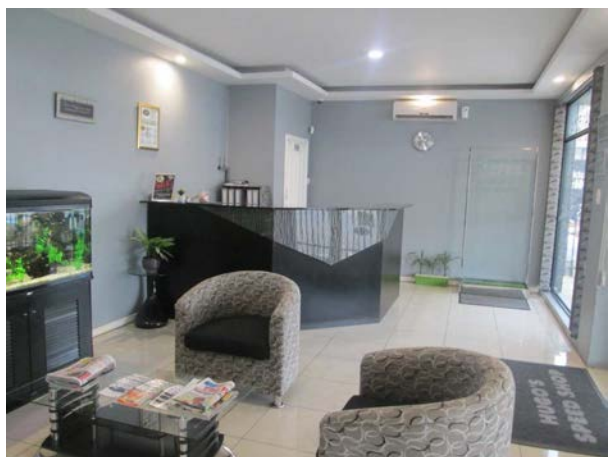

**Guarantee**

All workmanship conducted includes a 12 month guarantee or a period equal to the manufacturers body warranty. This offers you peace of mind knowing that the repairs conducted to your vehicle have been executed to the highest possible standard.

**Paint Warranty**

We are proud to offer a 3 year warranty on our paintwork. We are currently using the PPG Water Borne System preferred paints for most of the major manufacturers and is one of the best products available.
