Roma Revolving

Welcome to our Roma Revolving, one of the few revolving restaurants in the world.

The Roma Revolving Restaurant concept was brainstormed by the well known Leopardi brothers, Gino & Toni, and opened its doors in February 1973.

We have taken time in carefully selecting our award-winning traditional Italian dishes and fine wine, to offer you a classical taste of Italian cuisine, to accompany our spectacular views of the city.

A full rotation takes 60 minutes in an anti-clockwise direction, so you have the luxury of ever-changing views of the ocean, city, buildings, and the restaurant itself.

However, Gino and Tonys' passion and love of Roma Revolving was imprinted in their hearts, and they decided to sell the restaurant on condition that they stay on and continue to maintain the out-of-this-world experience that has been delivered since 1973.

Please take the time to savour our menu and we will be more than happy to help you select a mouthwatering dish to tantalize your taste-buds.

We have wine stewards at your beck and call to offer you a wine that will compliment your choice of dish.

We hope your stay with us an enjoyable one, as much as we enjoy serving you.
